

# Hi! I'm a Front-end Developer

I'm a Web Developer, analysis and systems development student, living in Recife - Brazil. I like programming because I have opportunity to build new applications and ideas, that have social impact and change lives. I'm passionate about travel and collaboration.

## Projects

### UI/UX Designer

I'm a freelance UI/UX design. I love designing simple and consistent web & mobile interfaces.

### Front-end Developer

I like coding my own designs. I implement using HTML, CSS and basic Javascript. Recently, I'm using frameworks like React.

### Scrum Certified

Scrum Foundation Professional Certificate by Certiprof.  
Credencial ID: 31552956377688

## Let's Talk

I'm interested in freelance projects, remote work or just chatting about design, feel free to ping me.
